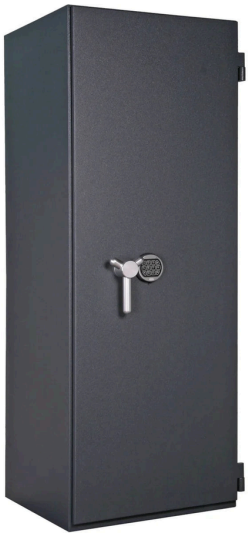
SafeGear



Office Data Star

The Office Data Star is a fireproof data safe graded S2 to EN 14450 and fire-tested for 60 minutes, sized for IT offices and server rooms holding working backup sets. Four sizes run from 118 to 587 litres, quoted in LTO tape capacity as well as volume. The data baskets shown in the drawing are not included in the price: pull-out drawers and data baskets for LTO tapes are available as accessories.
