SafeGear

GRADE I

VCO 6 shown, Light Grey

VC / VCO Wall Safes

The VC and VCO are wall safes certified to EN 1143-1 Grade I by ECB•S in Germany. Built into the wall, they keep cash, jewellery and documents out of sight. The shallow VC suits smaller wall cavities; the deeper VCO also takes lever-arch binders.

CERTIFICATIONS

Burglary Grade I (EN 1143-1), tested by ECB•S Germany

Installation Built into a brick or concrete wall
